

How to access the methodology summary questionnaires

1. Access your **personal dashboard** by [logging in on the website](#) using the website login details you received upon registration (presented in your registration mail as bellow):

Your Website Login Details

Username:

Password:

2. In your personal dashboard, scroll down to the “**Your models**” section. At the bottom of each sub-section dedicated to your models, you will find a “**Complete questionnaire**” button. If you do not see these buttons, try opening your browser in **incognito/anonymous mode** and access your dashboard again.

Your Models

OlgaAdmin1

Individuals Supporting Development	1-5
Max Graphics Processing	< 4
Max Central Processing	< 8
Description	Single node system
Documentation	N/A

Please submit a model summary questionnaire for this model.

COMPLETE QUESTIONNAIRE

3. All team members can edit the questionnaire and click “**Save questionnaire**” to save their progress. Only the **team leader** has access to the “**Submit questionnaire**” button.
